## Multiple-Choice Transfer Test

### Set 2 – Paper 4

### Time: 50 minutes

**Read the following carefully:**

---

1. Do not open or turn over this booklet until you are told to do so.
2. You have to read a passage and then answer some questions about it. You can look back at the passage to check your answers as many times as you want. There are also some spelling, punctuation and grammar exercises to do.
3. This is a multiple choice test, in which you have to mark your answer to each question on the answer sheet. You should mark only one answer for each question.
4. Draw a firm line clearly through the rectangle next to your answer. If you make a mistake, rub it out as completely as you can and put in your new answer.
5. Be sure to keep your place on the answer sheet. Mark your answer in the column that has the same number as the test question.
6. You may not be able to finish all the questions, but try to do as many as you can. If you cannot do a question, do not waste time on it but go onto the next. If you are not sure of an answer, choose the one you think is best.
7. You may do any rough working on a separate sheet of paper.
8. Work as quickly and as carefully as you can.
9. You will have 50 minutes to do the test.

In this passage there are some mistakes in the use of capital letters and punctuation. On each numbered line there is either one mistake or no mistake. Find the group of words with the mistake in it and mark its letter on your answer sheet. If there is no mistake, choose the option N on your answer sheet.
