Our specially written AQE tests have 58 questions worth 64 marks to be completed in 60 minutes, replicating past papers.

You can purchase a bundle of 8 AQE Practice Papers. Perfect for sending home over the summer holidays, or for homework and class work.

Read the passage and then answer the questions which follow it.

That Christmas as we celebrate it today has its Victorian times. Christmas was hardly celebrated at Victorian times but after Queen Victoria's marriage to Prince Albert the royal family took on some customs such as celebrating round a decorated tree. Soon many homes in Britain followed suit and were filled with candles, sweets and fruit. The industrial revolution and the advancement of printing technology allowed the production of Christmas cards to become the norm and the invention of the Christmas cracker filled with a surprise which had previously been given at New Year.

Christmas was celebrated at Christmas and as the gifts got bigger and bigger they were placed under the tree. People have always feasted on Christmas but during the Victorian era the Christmas dinner began to take shape. A turkey was the perfect centerpiece for a middle class family and became the most popular Christmas dinner of the 20th century. Christmas became a time when families were shared by all the family for the first time. Christmas is now known and loved today where born in the Victorian era.

26. Each line of the passage is numbered. A word has been used incorrectly in the passage. Tick ☒ the number of the line where the error was made.

Line 1 ☐
Line 4 ☐
Line 13 ☐
Line 19 ☐

27. There is a spelling error in one of the lines. Tick ☒ the number of the line containing the spelling error.

Line 5 ☐
Line 8 ☐
Line 12 ☐
Line 20 ☐

All papers come with answer sheets and are written by experienced Transfer Test teachers.

GL PRACTICE PAPERS

We have written 16 GL Assessment style practice papers based on the samples that have been provided by GL Assessment.

To replicate the real tests, the GL Maths test has 45 questions, the GL English test has 60 questions. The GL English papers include longer texts.

All papers come with answer sheets and pupils answer recording sheets.

REVISION BOOKS

Our Transfer Test Revision Books are designed to cover all the content of the current AQE and GL tests. We analysed the AQE test papers published between 2011 - 2018 to create a comprehensive revision resource for the Northern Ireland Transfer Test.

Please note: GL Assessment do not release their past papers to the public so we cannot conduct similar analysis of them.

WHAT IS INCLUDED?

Understanding Operations Revision

YEAR	2011	2012	2013	2014	2015	2016	2017	2018
Paper 1	✓	✓			✓		✓	✓
Paper 2	✓				✓			✓
Paper 3	✓	✓	✓	✓	✓			

The table above shows the years between 2011 and 2018 where 'Understanding Operations' questions have appeared in the AQE papers.

Please note: GL Assessment do not release their past papers to the public so we cannot conduct similar analysis of them. The GL curriculum is based on the same specification as AQE so your child can still use these revision booklets if they are preparing for the GL tests.

The final section should be used after your revision of all the topics to test their knowledge and identify any gaps or areas that need to be practised again.

Use the table below to track completed revision and areas that need further practice after the test your knowledge quiz.

Revision	Completed Revision	Test Your Knowledge
1. Use the Calculation	Score /6	Score /12
2. Estimation	Score /6	Needs further revision:
3. True or False	Score /4	

Area of a Triangle Fact File

REMEMBER!
Area is the space inside a shape. To find the area of a triangle we first find the area of the rectangle or square that the triangle sits inside. Then we divide by 2 to find the area of the triangle.

Right Angled Triangle

$A = \frac{1}{2} (\text{Length} \times \text{Width}) = 2$
 $A = \frac{1}{2} (8 \text{ cm} \times 5 \text{ cm}) = 2$
 $A = \frac{1}{2} 40 \text{ cm}^2 = 2$
 $A = 20 \text{ cm}^2$

Non-Right Angled Triangle

$\text{Area} = \frac{1}{2} (\text{Base} \times \text{Height}) = 2$
 $A = \frac{1}{2} (7 \text{ cm} \times 4 \text{ cm}) = 2$
 $A = 28 \text{ cm}^2 \div 2$
 $\text{Area} = 14 \text{ cm}^2$

Spelling 1 Test Your Knowledge Quiz

1. The word **inside** is a compound word. It is made by putting two words – in and side – together to create a new word. Look at the list of four words below.

foot time port berry

From this list choose the best word which makes a compound word when written in one of the spaces below. Each word in the list above can only be used once or not at all.

black _____
 pass _____
 bare _____

2. The word **mopping** has a double consonant. In the word mopping the letter p occurs twice. Simply adding to mop gives the new word mopping which is incorrect. Look at the four words below ✓ tick the two words where a double consonant must be used when ing is added.

begin _____
 itch _____
 blog _____
 kick _____

3. Look at the sentence below. Circle the correct use of the words in grey.

There They're There is no milk in the fridge so I will send hour our are father off off to the shop to buy by bye some.

A breakdown of what questions have been asked each year.

Teaching tips and fact files for each topic.

Test your knowledge quizzes at the end of each topic.

ABOUT ON TARGET TRANSFER TESTS

On Target Tuition have been tutoring children for the AQE and GL Transfer Tests in our Lisburn tuition centre for the past 12 years. During that time we have used a variety of practice papers and revision materials but always felt that these did not quite replicate the actual tests that the children sit in November/December. We decided to write our own and On Target Transfer Tests was born.

The Practice Papers and Revision Books have been created after a careful analysis of all the AQE papers from 2011 to 2018 to create a comprehensive revision resource that covers the curriculum of both tests. All are available for parents to buy in printed and PDF format on our website. Schools can purchase a licence to print out materials for a one off fee. Prices are available on the page below.

For more information on our tuition service please visit:
